

As a supporter, you make people smile every single day.

Gimmi & Claudette are both supported by St. Amant in the community and have been dating for 20 years! Gimmi loves sports, he's a huge fan of the Winnipeg Jets and Blue Bombers. Claudette loves watching *The Price is Right*, and loves having her nails and hair done. Together they enjoy going to movies, walking around

shopping malls and playing Deal or No Deal in the arcade.

Because of your generosity Gimmi and Claudette can do the things they love, the things that are meaningful to them: sports admissions, movie admissions and special trips to the spa. You help make it possible for more than 1,600 people to do the things they love.

You've helped in so many ways.

"People love supporting St.Amant and are very happy to have their donation dollars go to such a special place." Those words from Radio Host Ace Burpee of 103.1 Virgin Radio get to the very heart of why organizations, businesses and individuals host third party events in support of St.Amant.

Ace has attended and promoted St.Amant Foundation at events like the Spirited Art Soirée and the Falcon Lake Winter Fish-Off. He says the reason he keeps coming back

is because he, "loves how caring the staff is, they make me feel truly valued and appreciated."

In the last year St.Amant Foundation benefitted from many third party events including Manitoba Moose Autism Awareness, Color Me Rad, Santa Run, and fundraising barbeques, craft sales, auctions and tournaments.

It's because of passionate people like you and Ace that our community thrives.

**Thank you for making it possible
for people to smile, dream,
accomplish goals, and have fun.
We couldn't do it without you.**

YOU MAKE DREAMS COME TRUE.

Graduating high school is a big step. For Damon, school was a challenge. So when he walked across the graduation stage and threw his cap in the air with his classmates, it was a huge celebration of his accomplishment. You helped make it happen.

Because of your kindness, Damon was able to pay the grad fees to attend the ceremony and order a professional graduation portrait. According to Damon, graduation “is one of those days where it’s really important, it only happens once. . .you have to go.”

By donating, you’re helping Damon and 1,600 other people reach milestones and explore independence.

Because of you...

Sharon now has a gym membership that allows her to be active throughout the year and helps her make new, important friendships. Supported by St. Amant in the community for many years, Sharon is an outgoing woman who has a goal of getting in shape.

She visited a few gyms to see what she liked best and the YMCA near her house is the one she picked. "I'm happy and feel better after," said Sharon about her workout.

Working out at a gym gives her the opportunity to be part of her community. Sharon is one of the many people you helped reach their goals through recreation and leisure activities.

More than 100 people went to camp because of you.

Because of your help, St.Amant Foundation is sending more people to camp and recreation experiences in nature than ever before! Last year alone the Spirit Cottage was booked 293 days, 20 children participated in a St.Amant summer day camp, and 150 people had the opportunity to spend time at the St.Amant Albert Beach cottage. Many more went camping and on other nature expeditions.

Volunteers are hard at work preparing another fun St.Amant Party – Camp for 100 event for you. There will be more singing, more camp food and maybe even a few surprises! Save the date – November 16th.

FREE THE SPIRIT FESTIVAL

Saturday, September 30 • 10AM – 2PM

Judy, her niece Lindy, and fellow parent Doreen are longtime participants in the Free the Spirit Festival. Joining together in support of friendship and community, these friends are motivated to collect pledges for St.Amant Foundation's largest fundraiser.

"I've seen the difference St.Amant's made in my daughter's life," said Judy. "It's a worthwhile cause."

The festival is a fun community event with a walk and run, an artisan's

market, food, bouncers, games, live music, and a petting zoo. The festival is for everyone. It's a fun and inclusive way to bring friends and neighbors together.

You can join Judy and help collect pledges by registering a team to participate in this year's walk or 5k run. By joining, you are supporting inclusion and opportunity for individuals supported by St.Amant.

For more information, visit stamant.ca/festival.

I'd like to support inclusion, independence and meaningful quality of life for children & adults with developmental disabilities & autism!
