

SAFE POOLS HAVE RULES

HELP US RELAUNCH SAFELY

Prevention starts with awareness.
Be informed on how you can protect
yourself and others from COVID-19:

- Pre-screen at home before coming to the pool. If you have any of the following symptoms which include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or new loss of taste or smell, please stay home.
- If needed, please cancel your scheduled time slot.
- **Up to 10 people can be in the pool area at once.**
- **A maximum of 5 people in the pool and 5 on deck.**
- In the pool/pool area maintain physical distancing of 6 feet apart.
- Wash your hands frequently for at least 20 seconds with warm water and soap.
- Only independent swimmers are allowed to use to the pool this summer; staff cannot support individuals in the water.
- No personal pool floats, pool toys, or noodles allowed in pool area. The pool has disinfected pool floats and toys available for guests to use.
- Limit to 2 people in change room and/or bathroom.
- Staff and/or family are required to monitor and enforce social distancing practices when using either pool and/or while on the pool deck to maintain the social distance of 6 feet apart.
- The pool deck and surrounding equipment will be disinfected after every activity.
- The lane lines in the pool will be removed by staff only.
- The pool staff will not provide disinfectant to any attendees. We recommend that you bring your own disinfecting wipes and wipe down the furniture and other areas which you feel are necessary.
- On deck, all staff are required to wear PPE at all times. Everyone else is encouraged to wear PPE if able to.
- Visit www.stamant.ca/pool to sign up for a pool spot.
